
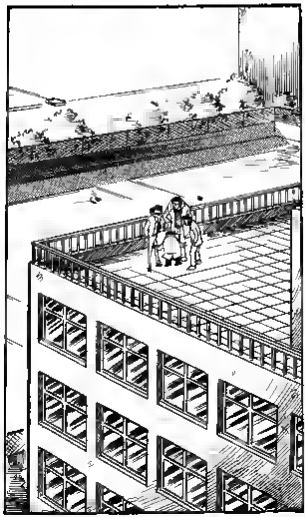
I don't believe it...
Huh? No way that was Susa..

I'm tellin' ya it was! He did a number on Boss Hirukawa!



A sudden power outage and some beast-like roaring, than Boss Aonuma was in the air...
I read the rest in the newspaper..
Boss Aonuma lost his head and grabbed a girl.
Anyway, it seems like he's gotten really strong
With no hope of recovery, right?
Heh heh heh
It must have been bad for Boss Aonuma. They say he's in a coma..
He's always been a bad apple..
He had his nose all the way up Boss Hirukawa's ass, then acted like he's our boss
The unpleasant Puck..
gettin' caught up in some bullshit scene like that...
What an unlucky bastard he is,
Ah ha ha

Yeah. We gotta be careful
He's got a grudge against us 'cuz a' that chick.
FORGET AONUMA. THE PROBLEM IS SUSA!
Ah! I gotta go...
It's time for club practice.
Really? Hey, that's great!
If push comes to shove we can get the yakuza in on it.
What are you sayin'? If things get bad enough, there's help out there
It's weird, you bein' in a club with no girls.
I don't think boxing suits ya, Yasu.
See ya.
If I'm late the captain'll give me an extra workout.

Right. Let's both keep on the look-out.
Oh, and if anything happens with Susa, let me know.
If I quit, the captain'd beat the shit outta me.
What are you sayin'?
DON'T GIVE ME THAT SHIT, DUMB-ASS!
Sorry. It was my turn to clean the classroom.

Huh...
Y... Yessir!

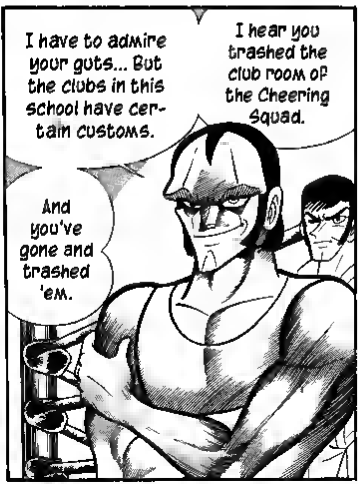
I'll massage you after!
Enough. Hurry up and get to training.
If you don't get your shit together some freshman pansy's gonna knock you out.
Really sorry.

!?
GOOD!!
CAPTAIN GODA! WE'VE BROUGHT SUSA!

S-Susa ...?

!?
S-Susa... That's.. that's Susa?
He really has changed..
He's changed! A lot!
Those eyes. They're like a damn hawk's!

I'm Goda, the captain of the Boxing Club
So you're Susa?
But.. why did he come here?
He's not joining the Boxing Club, is he..?



I have to admire your guts... But the clubs in this school have certain customs.
I hear you trashed the club room of the Cheering Squad.
And you've gone and trashed 'em.

SO YOUR SORRY ASS IS GONNA BE PUNISHED!
I won't bore you with details. We hafta keep everyone else in line.

THE DATE IS SET FOR TO-MORROW AFTER SCHOOL!
Your punishment will take the form of a boxing match!
But we are not yazuka!
ME!
Location. the gym. Your opponent
IF it was the Cheering Squad I attacked,
There's one thing I don't get
how come I'm fighting someone from the Boxing Club?

THE CLUB FEDERATION! IT IS AN ALLIANCE OF ALL THE CLUBS IN THE SCHOOL!
IT'S A COMMIT-TEE OF ALL THE CLUB CAP-TAINS.
ONE CLUB'S PROBLEM IS EVERY CLUB'S PROB-LEM!

And so the Boxing Club has taken over the Cheering Squad's problem.
Ohhh, I see.
Well, sorry to put you through the trouble...
Don't try to run, Susa!
If you do, your punishment will be much more severe...
Sure, I'll do it, but only on one condition....
Ohh-kay, I see how it works...
I was thinking how one club has an awful lot of influence over another...
Condition?
As practice for tomorrow...

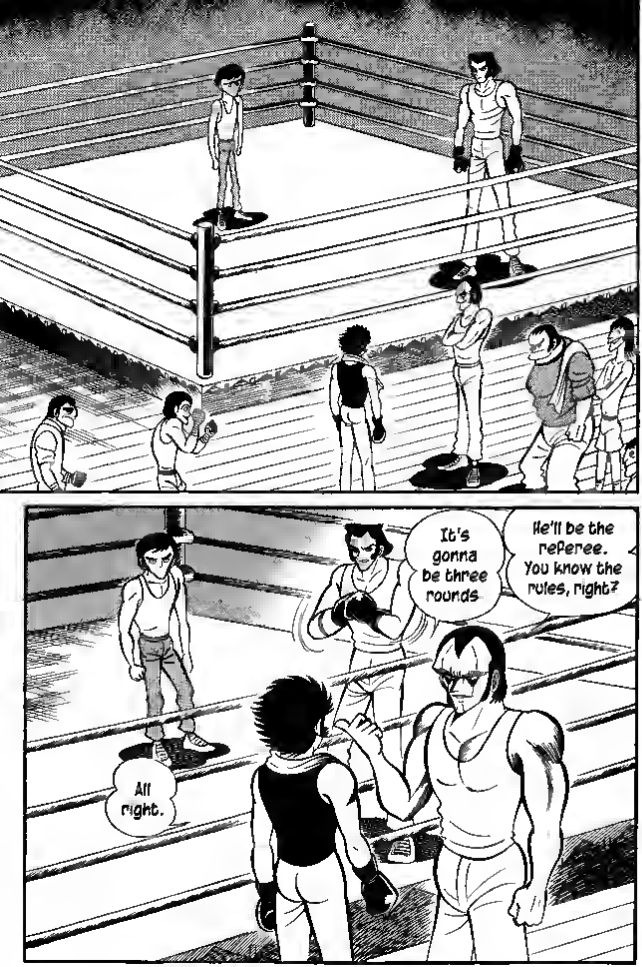
LET ME SPAR WITH THAT BUM IN THE CORNER RIGHT NOW!
THAT IS MY ONLY CONDITION!
?
YASUMURA..?

Why him ..?
First off, to warm up for our fight.
Second, I have a score to settle ...
ふっ
AND HE KNOWS EXACTLY WHAT IT IS I'M TALKING ABOUT!
Aw, shit..

!!
Hiee!!
FINE, I'LL PERMIT IT!
I'm not feeling well today
IF YOU DON'T WANNA FIGHT SUSA, YOU CAN FIGHT ME!
YA-SUMURA! DIDN'T YOU HEAR WHAT I SAID!?
YOU HEARD IT, YA-SUMURA!
YOU WILL BE FIGHTING SUSA RIGHT NOW!
C-Captain, let me off the hook on this, please!

SOME-BODY GET SUSA READY!
GOOD!
OKAY... I'LL DO IT! I'LL DO IT!
HIEE !!
This way..
I got nothin' to worry about..
Even if Susa's gotten better at fighting, he doesn't know how to box.
There's no getting out of this now...
Damn! Just My luck!
The Captain would murder me...
But it's better than takin' on the Captain..

I'LL KICK HIS ASS!!



He'll be the referee. You know the rules, right?
It's gonna be three rounds
All right.
